Volume 10 • March 2020

Our leadership for Men's Ministry has planned our Sportsman's Banquet for March 5 at 5:00 p.m. Our guest speaker, David Ellis, is a professional hunter and will share Christ with our guests. One of the primary methods of reaching people for Christ is through affinity groups. People who would not come to a church service on Sunday will attend a special event. Then, we will get an opportunity to share the gospel with them.

I appreciate your investment of your time and resources for the Sportsman's Banquet. Whenever we issue you a challenge, you respond. God honors and blesses a servant spirit.

Your Pastor,
 Philip May

This past month we had the privilege of hosting our fourth Tim Tebow "Night to Shine" prom. Thank you to all of our volunteers who helped and all of the guests who came. We had a great night of food, dancing, portraits, limo rides and karaoke. At the end of the night, every single guest was crowned King or Queen of the prom. The message of the gospel was proclaimed and our prayer is that everyone walked away knowing that there is a God who created them and loves them.

Coming up, we have an outreach event on March 11 called Mario Kart. We will be getting shopping carts and doing a live action Mario Kart race. On March 22, we will have a split boys and girls night starting at 5:00 p.m. On March 29, we will have a church-wide movie night, showing the film "Overcomer" at 6:00 p.m. in the gym. This summer, we are headed on a mission trip to Panama City to work with World Changers (Lifeway) and help repair homes in that community. More info about all upcoming events is found on our website: studentfusion.com

I am pleased to report that we started a new Sunday School class for young single adults on February 9. On the first day, there were thirteen people in attendance and the class continues to grow. Jerry & Alice Cook have agreed to teach this class, and we praise the Lord for their leadership. Our overall Sunday School attendance continues to grow, and we are thankful for the increase. If you are currently attending a class, please invite others who are not in a class. Please contact me if you are not attending a class and have questions about our Sunday School. Attending Sunday School is a great way to grow in your faith and also enjoy fellowship with other believers.

March is a transition month. We might have snow, we might have rain, we might have 70 degree weather with the sun shining, or we might have tornadoes. All that mixed together takes us from winter to spring and into summer. That month of transition can be a difficult time weather wise. It is a time of stormy weather. We often find ourselves in what we call the storms of life. There are many variables that make that time difficult for us. Yet, as children of God, it is a transition time for us as well. As we learn to depend on Him, He makes us stronger and brings us out into the summer and ultimate clear skies. Learn to go through your transitions depending on Him to get you to the other side.

Put a few dates on your calendar:

Music Week: June 15 - 19
 Choir concert with This Hope: August 16
 Annie-Moses Band Christmas concert: December 18

Kathy Winstead

Who is God and why did He create me? Why did God send Jesus and why did He die on the cross? Why do I sin? Why can't I just be good enough to go to Heaven?

These questions, and many more, are all addressed in *What is a Christian?*, an eight week study for elementary-aged children. While this resource won't answer every question your child has about God, it will help them to better understand Him and His plan for their life. The study weaves together a question and answer time, a simple activity and Scripture study-time in an easy-to-understand format specifically for children. We will begin this study on Sunday evening, March 1, at 6:00 p.m. (parents, this will be your opportunity to attend the Sunday evening service without children!). This course is open to all PVS kids, 1st through 5th grade (kindergarten-aged children will be allowed on a first-come/first-served basis if room permits) and will meet in the PVS kids welcome area. The word gospel means "good news", and I can't wait to share the "good news" with our PVS kids on Sunday evenings.

Missions and Outreach Ministry

In July 2011, five mission-minded members of PVS accompanied me on a Vision Trip to Lahuaytambo, Peru, a remote village located 11,000 feet up in the Andes Mountains. Our purpose was to determine if the Lord was leading us to adopt this Unreached Micro People Group as our own. After spending a few days among the people of Lahuaytambo and asking the Lord for His guidance, we agreed to return to PVS with a recommendation to adopt the Huanca Quechua People Group of Lahuaytambo. On July 10, 2011, you voted in unanimous affirmation of our recommendation. Nine years and fifteen mission trips later, we have been eyewitnesses to the Lord's work among the people resulting in seven salvations and numerous hearts softened to the Gospel. We've conducted Medical Clinics, Vision Clinics, Dental Clinics, and Children's Bible Clubs, demonstrated the construction of water purifiers and rocket stoves, worked alongside the locals in their fields and repaired their terraces and spent countless hours in the Lahuaytambo schools teaching the children English through Bible Storying. The relationships we've formed will last into eternity. In celebration of this Christ-honoring ministry and the work the Lord has accomplished in and through us there, we will be returning to Lahuaytambo one last time the week of July 11-19. Look for details concerning this "Farewell to Lahuaytambo" trip in the Welcome Center soon.

On Mission with Him,
 Billy
