

Pleasant Valley South Baptist Church

April Newsletter

The Good News of our day is: "He's not here, He Is Risen!" When we are born again, we realize our hope is in Christ now and throughout eternity. We approach Easter, and we realize the entire world is reminded of King Jesus.

We are living in uncertain days. The Coronavirus has created a time for us to be cautious about attending gatherings of 50 people or more. As of the date of writing this letter to you, we may not be celebrating Easter at our PVS location together. I have been in constant contact with a doctor on the front lines locally, reading CDC recommendations and watching carefully what our schools are doing at this time.

I miss seeing you! We take for granted sometimes our opportunity to worship on Sunday and Wednesday. I recall 9/11. People crowded into our worship center to worship, pray and study God's Word. Now we face a crisis where we cannot come together.

Keep praying! Keep studying God's Word! Focus on Christ! Take precautions as issued by our medical community. We will be on our podcast at 10:30 a.m. Sunday mornings with music and a message. This will be also available on Facebook and Snap Chat.

Looking forward to resuming our regular schedule in the future.

Your Pastor,
Philip May
