I hope you will participate in our “Easter Big Invite”. Richard Brown will provide you with information to give your neighbors and friends for our Easter celebration. We will provide you with prayer cards and personal invitations for you to share. We want everyone who comes to have an excellent experience as we worship Jesus.

I’m praying our congregation will become very intentional about evangelism. Jesus gave His life and His blood on the cross for our salvation and rose again, assuring us of our place with Him forever if we are born again. Bible Scholars used to say, “Hallelujah! What a Savior!”

Delaine and I hope you have a great Easter.

Your Pastor,
Phil May

One highlight from Student Fusion this February was the baptism of Alexander Peterson! Alex accepted Christ at Fields of Faith last year and he and I have met several times to discuss what a relationship with Jesus looks like. We also talked about the first step of obedience of a believer is to be baptized, to publicly declare what God has already done in your life. We are thankful for how the Lord has drawn Alexander to Himself and how Alexander has responded to the Holy Spirit's prompting.

We ended our February at Student Fusion with Collide! It was three days of great worship, teaching, small groups, and fun. At Collide we had three students who responded to accept Christ as Lord and Savior! We had several others who rededicated and wanted to get in a right relationship with God. We had another student who came forward wanting to be baptized! Praise God for what He did in students hearts during Collide!

This summer we are headed to Lake Charles, LA for a service based mission trip with World Changers! Lake Charles has been hit with two hurricanes, a tornado, a flood, and a blizzard in the last two years so there is plenty of work to be done healing that community both physically and spiritually. A parent packet and more info can be found at studentfusion.com. Regular registration ends on April 3 and late registration ends on April 27.

I recently saw an article on the internet with the following title: "Feeling Down? The Top 5 Websites to Cheer You Up." The article listed five websites where, according to the article, you can get your daily dose of good news. The best place for the good news is the Bible. It tells

us that Jesus died on the cross for our sins, was buried and three days later He was raised from the dead. Because of the resurrection of Jesus, we have victory over sin, death, hell and the grave. That is the best news you will ever hear.

Happy Easter!

Our next Sunday School adult teacher quarterly training is scheduled on Sunday, May 1. We will meet in the Awana Game Room immediately following the morning worship service. Lunch will be served and child-care will be available.

Mark Winstead, Minister of Music

"You are a Masterpiece a new creation He has formed
And you're as soft and fresh as a snowy winter morn
And I'm so glad that God has given you to me
Little lamb of God, you are a Masterpiece." (song by Sandi Patty)

Terry Mathis sang this song the Sunday we had Parent-Child Dedication. It is a beautiful song that reminds us of how special we are as a creation of God. God made you special and He has plans for you each and every day of your life. This month we are celebrating Easter and the gift of salvation given to us through Christ's death and resurrection. Celebrate who you are as His child and what He has done for you. You are a Masterpiece

Evangelism, Missions & Pastoral Care

Thank you so much for your prayers and your financial support for North American Missions through the Annie Armstrong Easter

Offering. Thus far, you have given \$4,625.00 to this offering! Every penny of every dollar you give goes directly to the support of our missionaries and their work.

Easter is April 17! We have the greatest message in the world: JESUS IS ALIVE! Death has been canceled! We want everyone to hear it! You should have already received a 4x4 prayer card for *The Big Invite* strategy. Our desire is to bring unbelievers to faith in Jesus, connect guests and new believers to the church and begin moving them to spiritual maturity. If you have not already done so, please identify 4 lost/unchurched people and pray for them daily and *personally invite* them to our services on Easter Sunday! Let's pray for a full house and for the resurrection power of Jesus to radically change lives!

Thanks to all of you who participated in our Greeter/Usher training on March 27! We are blessed to have the finest Welcome Team anywhere!

Kathy Winstead, Minister of Children

Several things come to mind as we prepare for Resurrection Sunday this Spring.

One of those things is the idea of a fresh start. Through Christ's death, burial, and resurrection,

we are given the promise of a new beginning. Our old life is wiped away and we can begin anew. Just like the flowers and trees that lie dormant through the winter season and then blossom and bloom during the spring months, we can blossom and bloom in our new life in Christ! At PVS kids we are intentional about teaching the truth of salvation through Christ throughout our ministry. Our Sunday School and Awana leaders see the children blossom and bloom as they teach and lead each week. Our children are discovering who God is and what His desire is for their lives. In order to continue reaching and teaching children, we need more people to become involved in PVS kids. We have many ministry opportunities available on Sunday mornings and Wednesday evenings. Whether it's volunteering monthly during the morning worship service or assisting on a weekly basis, there's a place for you in PVS kids! We're so thankful to serve the families of Pleasant Valley South Baptist Church and would love to have you to join us! Speaking of volunteers, I'd like to give a huge "shout-out" to all the adults who helped with our Nerf Party last month. It was great fun for everyone involved and I'm looking forward to doing it again next Spring!
