Volume 10 • June 2022

I hope you will participate in VBS. Our dates are June 6-9 and our theme is "Treasured". Kathy Winstead is recruiting workers for this big event. This is an opportunity for us to reach children for Christ. Remember, many of the guests never get a chance to go to church except during VBS.

Mark Winstead has planned our Music Week for children. We hope to have 100 this year participating. The musical they will learn in one week is "Treasured".

We will not have Wednesday night services in June and July. During those months we will not have Awana's and the Youth Group will be in and out with a mission trip and other activities. We will have Wednesday night services in conjunction with the school year.

Have a great summer!

Your Pastor,  
Phil May

*Evangelism, Missions & Pastoral Care*

As I am writing this article, our country has just been jolted by the tragic news of the shooting at Robb Elementary School in Uvalde, Texas. At least 19 children and two adults lost their lives. Let us pray for this community and the families affected. In our heartbreak, may we look to the Lord for help! We need Him. We need revival and spiritual awakening. Let's ask the Lord to rend the heavens and pour out His unmistakable presence and power upon our nation resulting in radical change in America and heal our wounds resulting from sin and disobedience.

I want to invite you to be part of our **DLife Bootcamp** coming up Sunday, August 14, here at PVS. The time is from 3:30 p.m. until 7:30 p.m. Our desire is to equip and train as many as possible to become effective Disciple makers. Making disciples is at the very heart of the Great Commission. Other churches will be joining us for this monumental event. Our desire is to begin a disciple-making movement in Floyd County and beyond. Be listening out for more details.

I am coordinating with Shorter University to send a team of volunteers to do some painting and maintenance on their campus this summer. I am waiting on their proposed dates and work projects. If you are interested in helping, be watching for the dates and times when they are announced. This is a great opportunity to be a blessing to the Shorter University family.

Lastly, I and a small team from Floyd County churches will be flying to Salt Lake City, Utah on July 14-18 to meet with area pastors to begin a missions partnership with them. My desire is to begin sending mission teams to Utah as early as this Fall. Please pray for us as we travel and for God's wisdom as we seek to make decisions for future mission opportunities.

Kathy Winstead, Minister of Children

Some of you might already know this, but I was raised in the Catholic faith. All four of us kids were loaded into the station wagon and hauled to church every single week. We

often misbehaved, squirmed and fidgeted, but we were there, whether we wanted to be or not. We were sometimes rewarded with donuts from the bakery on our way home depending on our behavior during mass. The thought of a hot, fresh donut can go a long way in determining a child's behavior at church! All of this taught me to be consistent in church attendance. But, once I was saved, I desired to be consistent not only in my attendance, but also in my actual faith. I believe what the Bible says but am I consistent in following the Lord's teachings? Am I consistent in my prayer life and my care for others in need? Do I consistently repent when I fail and seek God's forgiveness? Am I consistent in sharing the truth of salvation with others? I desire to be consistent in these things because I met the Lord when I attended Vacation Bible School as a child. I learned through Scripture that God knows me, God hears me, God comforts me, and God chooses me and God forgives me! These are the Bible points we'll be focusing on each evening at "Treasured" VBS, the week of June 6-9. Even attending one night of VBS can be life-changing for a child! Please bring your children and encourage those around you to bring theirs to "Treasured" VBS. Thank you in advance for your prayers for a safe and fun-filled week where children will learn they are priceless to God!

*Minister of Education/Business Administrator*

As you may know, we have an opportunity to support two important ministries this month. We are currently collecting items for the Georgia Baptist Children's Home (GBCH). The items requested by GBCH are kitchen supplies, bath supplies and snacks. You can also give a gift card from Walmart, Publix or Kroger. The GBCH provides a wide variety of services to children in need. This includes residential programs, counseling, programs for special needs children and other faith-based programs for children and families.

Also, we are in the middle of our Baby Bottle Boomerang campaign which is a fundraiser for Haven Health, a local faith-based ministry that supports women facing unexpected pregnancies. The money you give will help provide free services such as ultrasounds, options counseling, parenting classes and baby supplies. Please get a baby bottle from the Welcome Center and fill it with loose change, paper money or a check. This is another great ministry that needs our support.

The deadline for donating to these ministries is Sunday, June 19. We will take the returned baby bottles to Haven Health, and the items collected for GBCH will be taken to the Floyd County Baptist Association. Thank you and God bless you.
