Independence Day

God Bless America

Welcome to —
pleasant valley south baptist church

— Dr. Philip May • Senior Pastor

From the Pastor's Desk

When I attended school, every day our homeroom teacher would lead the Pledge of Allegiance, read a Bible passage and lead in prayer. I do not recall anyone protesting or rejecting this practice. For me, it was a constant reminder of the price paid for our freedom and the foundation of this nation was built on God and His Word.

We live in a different age in the 21st century. There are people in America that believe our founding was immoral and that the U.S. is the enemy of the world. These same people believe the nation should be torn down and reconstructed to look more like them. That likeness would include believing there is no God, there are no moral absolutes, you don't own private property, the government rules the people, you don't enjoy freedom of religion and your children are considered property of the State. We call this Marxism. Today, we will study the question does God belong In government?

Thomas Jefferson stated in a speech to the Danbury Baptist Association that the State would not create or endorse a particular religion. Liberals in our nation have referred to this as "law" to argue their liberal agenda. Let's see what God says in His Word on this subject.

Your Pastor,
Philip May
