_____ Dr. Philip May • Senior Pastor

From the Pastor's Desk

Dad always kept a "work car" and a family car. The family car usually did not have a radio, carpet or air conditioning. The "work car" was one of several 1952 Chevrolets he owned at separate times. He drove to downtown to work in the Chevy and it was the family fishing car. He often carried water in the trunk for the radiator when the Chevy ran hot. He carried extra quarts of oil to add to the engine. The Chevy may throw a rod through the engine block or the transmission break. He always got us where we were going.

Marriage and family has issues as we journey through life. Sometimes we need to read a good "how to" book on family, beginning with the Bible. A great Christian family counselor is beneficial. Walking with the Lord is necessary. What we would like to do is "finish well" with family as we are on our way to heaven. I hope the family messages this month have benefited you and your family.

Your Pastor,
Philip May

Mike Hadaway and Jackie Eschbaugh are our church coordinators for OCC. You are welcome to contact them with questions. Items for the boxes are being purchased through our church budget. Buying in bulk enables us to save significantly on costs. We will be needing volunteers to help fill boxes in the near future. Be listening for sign-up opportunities to help.
