Pastor Search Committee Update:

The committee has completed six hours of training on the detailed, step-by-step process of searching for a new pastor. We had a bonding time of sharing testimonies, and our PVS history, as well as other church and personal stories. We voted and organized committee rolls and structure. Currently, we are creating a pastor profile, a church profile, and a community profile. We hope to finalize that very soon and consolidate that in a professional document that we can provide to potential candidates. We meet this week to learn how and where to advertise the job opening and the process of collecting resumes from candidates. This process has already begun. Several resumes have already been turned into the church office and the committee expects a great response.

The committee members request continuous prayer from the church body. Pray that the Holy Spirit will lead us, teach us, uphold us, and guide us every step of this process. Pray for the man who will someday be our new pastor. We ask for grace and patience as we follow the Holy Spirit wherever He leads us, in His perfect timing. Each member of this committee is deeply honored and humbled by the trust this congregation has placed in us. We feel the Holy Spirit moving in our committee and in our church. Wherever He leads, we will follow.
