Pastor Search Committee Update:

The committee has been hard at work completing a church profile, a pastor profile, and a community profile. These profiles are now being combined in a professional marketing brochure for attracting potential candidates. We have begun our marketing efforts. We are writing letters to the pastors of the 70 largest churches in Georgia, to ask them for recommended candidates. We have completed our job description and will now begin posting the position in multiple job search sites. We will be casting a very wide net to attract many potential candidates. Once we enter this phase, we will be collecting resumes for several months. We are adding a link on our website with a new Pastor Search Committee page containing relevant information. Please continue to pray for our search committee as we diligently seek to follow the Holy Spirit wherever He leads us. We also ask that you begin praying for the new pastor and his family, even before we meet him. God is faithful to answer our prayers.
