ABOUT STRENGTH TO STAND

FROM STS...

Strength to Stand is a collection of student conferences, camps, and more pioneered by the Scott Dawson Evangelistic Association. Through nearly 40 years of ministry STS has worked to provide the next generation of the local church an atmosphere where they can worship, grow deeper in their faith, and take the next step in their faith whether it be salvation or growing in sanctification. The primary audience served are ages 12-18 with hundreds of churches from across the Southeast. The camp is under the supervision of the Scott Dawson Evangelistic Association, Inc., which is recognized by the IRS as a nonprofit organization. Since 1987, this Association has been actively involved in conference ministries throughout the United States.

STS Camp targets students from sixth grade through seniors in high school. Due to insurance regulations, it is STS's policy to require each person to be in the sixth grade.

FROM ERIC & PVS STUDENT MINISTRY...

We will have 1 counselor per 3 high schoolers of the same sex, and 1 counselor per 5 middle schoolers of the same sex. We do not have additional space or funding for extra adults. And, STS Camp does not anyone to attend who is under the sixth grade. Regular youth workers will receive first preference, parents second preference, and active church members over the age of 21 third preference. All counselors must be background-checked and trained by our church's online child safety materials.

This will be a great trip. We will travel via an Eagle Christian Tours motorcoach. I've hosted a student event at Laguna Beach Christian Retreat before. It is clean, has good food, and is located on the Gulf. It is located away from the PCB strip on its own quiet stretch of the Emerald Coast. The coffee/ice cream shop has great coffee and delicious ice cream. Partnering with STS, LBCR, and Eagle ensures a top quality experience for the great price of \$319/person. Please contact me to sign up and for any questions.
